

THE STEVENS MEMORIAL LIBRARY IS REOPENING TO THE PUBLIC!

Browsing hours will be available with
no appointment necessary!

We will also continue to offer our popular
Curbside Pick-up Option.

We will have laptops available for checkout to
allow for socially
distanced PC usage.

Per CDC and state guidelines, we
respectfully ask that our patrons who are not yet
fully vaccinated please wear their masks inside
the library. We are happy to provide masks if you
forget to bring one.

We have missed our patrons and are
looking forward to seeing you all
in person again!
