

STEVENS MEMORIAL LIBRARY COMMUNITY VISION STATEMENTS 2021

A group of 10 community members representing diverse local organizations and demographic groups drafted and prioritized 25 community vision statements addressing key town attributes (community education, health, housing, safety, etc.). Here are the top 5 community vision statements the group believes the Library can best support or positively impact.

1	Ashburnham develops and promotes academic, vocational, and hands-on learning opportunities that enrich residents' lives at all ages.
2	Ashburnham maintains a centralized, robust source of residential, community, and cultural information and opportunities.
3	Ashburnham is an inclusive community that offers extensive community connections for people at all stages of life.
4	Ashburnham cultivates diverse, cross-cultural, and inclusive learning opportunities.
5	Ashburnham supports the continuous, thoughtful development of various small businesses, including local farmers and artisans, that enrich the community and maintain its small-town feel.
