

Best Wishes on Your Next Adventure!

Dear families of Ashburnham and surrounding towns:

I have greatly enjoyed the three years I have spent at the Stevens Memorial Library, serving you and your children. I have enjoyed planning every program, and making the Youth Services Department a more welcoming and updated space. I can't wait for you to see all of the changes we've made, although I am sad I won't get to see your reactions.

The library has come such a long way, and I have confidence it will continue to grow. I am excited for my new adventure, but saddened to leave such a wonderful community.

Please stop by before 8/2, as I'd love to see you!

Again, thank you for being the most wonderful patrons a librarian could ask for.
